

Lesson Plan Summary for sharing across Region 16

Deadline for Submission: May 16, 2008

Window On a Wider World Lesson Plan Summary (ONE plan required per participating school)

School: _____ Grade Level: _____

Experience: _____

Provider: _____

Instructions: As a school teaching team, select one arts, science or cultural experience from the Educators' Resource Guide that you integrated into your core curriculum during 2007-08. Using the lesson plans and activities that you taught with this experience, please answer the following questions in detail.

1. List the objectives and instructional considerations that motivated the selection of this experience. Please include how this experience addressed your objectives.
2. Describe in detail the specific instructional activities you implemented, including specific resources usedin preparation for the experience, as well as how you introduced the learning objectives, introduced content and format of the experience itself.

.....during the experience, scaffolding and differentiations you provided students

.....after the experience to extend the learning, content ties to other curriculum, ideas to build upon, teachable moments, etc.

3. Describe the strengths and weaknesses of this lesson plan as a teaching tool.

.....what would you do to improve this lesson plan?

4. What suggestions, requests or comments do you have for the organization that provided your arts, science or cultural experience?

5. What suggestions, requests or comments do you have for Window On a Wider World as the facilitator?
